

NOTICE

This is for the information of **5th Semester students** that they must discuss about their mandatory internship with assigned internship supervisors at the earliest. Those who have completed their internship must prepare the report with required documents and get it signed by the supervisors. Students are advised to complete all activities related to the mandatory internship under NEP including the report by 30th Sep. 2026 positively. College will schedule the viva and evaluation process in the first week of October 2026.

The internship is mandatory to be done in the given timeline, failure to which will lead to a reappear in their result for the 5th semester. Students who did not get the internship done during the summer break are advised to take up any part-time internship after the college hours.

Students, please note that taking approval from the supervisor is a must before starting the internship. No internship/ internship-reports will be considered without prior approval of the supervisor.

Kindly fill the internship status form using given link:
